## Implementation areas and key SO4 outputs as of June 2023

Sahel & Lake Chad States

### Tombouctou, Gao and Mopti, Mali

5,639 staff from government institutions, internal security forces and non-state actors have been trained on governance, conflict prevention and human rights (EUTF 4.2). Between 2022 and S1 2023, these three regions experienced 1,344 violent events (causing 4,321 fatalities), representing 62% of total violent events that happened in the country during this period.<sup>i</sup>

### Niger

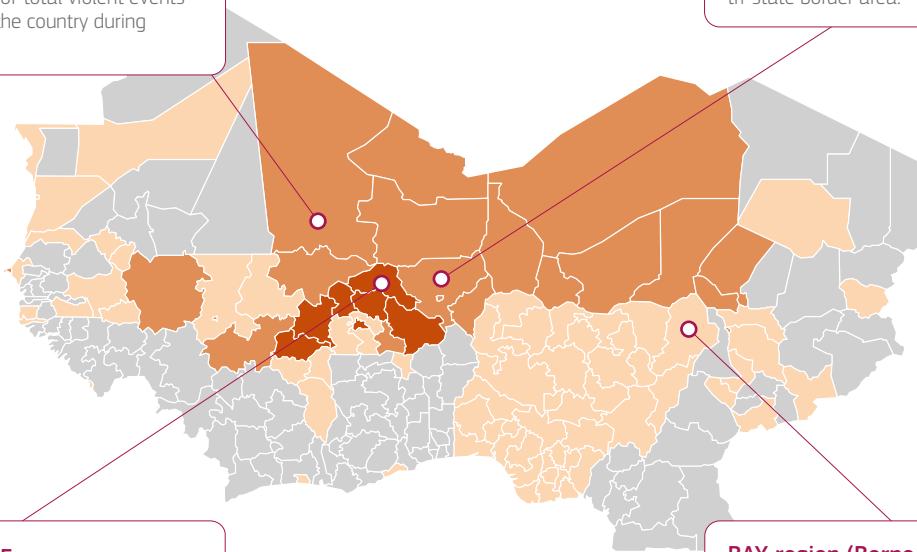

21,347 items of equipment were provided to strengthen governance (EUTF 4.1 bis). Operational units to combat terrorism and organised crime in border areas (GAR-SI) received 64% of the items. Niger remains the epicentre of violent confrontations between jihadist groups, especially in the tri-state border area.<sup>ii</sup>

### Sahel, Burkina Faso

279,285 people participated in conflict prevention and human rights activities (EUTF 4.3) in S1 2023, 62% of the total in this region since the launch of the EUTF (450,086). Sahel is the region hosting the highest number of IDPs in Burkina Faso (501,961).<sup>iii</sup>

### BAY region (Borno-Adamawa-Yobe), Nigeria

18,942 staff from government institutions, internal security forces and non-state actors have been trained on governance, conflict prevention and human rights (EUTF 4.2). The BAY states are subject to high levels of violence. Between December 2022 and June 2023 the number of IDPs increased by 190,879 persons, bringing the total number of IDPs to 2,388,703 in the BAY regions.<sup>iv,v</sup>
